

Southern ropes

FISHING INDUSTRIAL MINING MILITARY YACHTING

TACTICAL FAST ROPE

RAPID HELICOPTER DEPLOYMENT & EXTRACTION ROPE

8-Strand Nylon/Acrylic Blend

Developed for Military & Special Forces around the world, the Southern Ropes *Tactical Fast Rope* leverages expert material selection, fibre form and construction to produce the optimal balance of performance, ease-of-use and reliability. The combination of knobby 8-strand construction and staple-spun fibre makes the rope extremely easy to grip, even in the harshest conditions. Fast Ropes are supplied ready-to-use, with a terminal eye at one end for mounting the rope and a whipped end at the other. Each rope is manufactured bespoke, offering the choice between a Covered Soft Eye or Stealth Sky Hook terminal. Extraction loops can also be spliced into the rope for easy insertions and extraction of heavily-laden personnel.

FEATURES

- ▶ Grippy design
- ▶ Spun fibre enhances grip
- ▶ Light & flexible
- ▶ Shock-absorbing
- ▶ Hard-wearing & abrasion-resistant
- ▶ Liquid absorption properties reduce slipperiness in poor conditions
 - ▶ Oleophilic Acrylic absorbs oil & grease
 - ▶ Hydrophilic Nylon absorbs water

TECH SPECS

Nominal Diameter	40 mm
Construction	8-Strand
Material	Nylon/Acrylic Blend
Colour	Olive Green
Linear Density	57.5 kg/100 m (relaxed)
Runnage	1.75 m/kg (relaxed)

OPTIONAL EXTRAS

- ▶ Stealth Fibre® UHMwPE Extraction Loops

TERMINATION OPTIONS

Southern Ropes offers the Standard and Streamlined Fast Rope Terminals described below.

- ▶ **Stealth Sky Hook:**
 - ▶ 200 mm Eye Size (Standard)
 - ▶ GP-12 Rope spliced into tail to form an eye
 - ▶ Covered with black Chafe Sheath
 - ▶ Made from 100% Black Stealth Fibre® UHMwPE
 - ▶ Impregnated with proprietary Polyurethane Coating Blend to increase abrasion resistance
 - ▶ Light, flexible and easy to use in tight spaces
- ▶ **Soft Eye with Cover:**
 - ▶ 200 mm Eye Size (Standard)
 - ▶ Standard 8-strand spliced eye
 - ▶ Woven Ripstop Sleeve with abrasion- & UV-resistant coating
 - ▶ Robust and best for training purposes and operations where weight is not critical

STEALTH SKY HOOK

SOFT EYE

Terminal Weight	0.3 kg	1.0 kg
Min. Break Load	6 700 kg	6 700 kg
Fibre Material	Stealth Fibre® UHMwPE	Acrylic/Nylon Blend
Chafe Protection	Stealth Fibre® UHMwPE Sheath	Woven Ripstop Sleeve

Tested in accordance with ISO 2307:2019
